THE FRESH ALTERNATE

We start by frying fresh 100% corn tortillas every day in canola oil. Our meat is of the highest quality, ground fresh daily, never frozen. The Mexican rice and the all-meat Chili Con Carne are prepared according to recipes developed by Tippy's over 50 years ago. Our Zesty Gravy is not compatible with vegetarian diets. The Refried Beans are made from scratch--they are naturally low in fat and cholesterol, naturally high in fiber. Guacamole Dip is made fresh daily from California avocados and our Chili Con Queso Dip is a delicious blend of 100% real cheese and hearty spices. Your favorite dishes are made fresh in our kitchens daily with natural wholesome ingredients and are topped with 100% real cheese, fresh lettuce, tomatoes and dairy-fresh sour cream.

Our goal--a satisfied customer.
